different results in reports

10/29/2015 03:44 PM - Volker Baecker

Status:	Assigned	Start date:	10/29/2015
Priority:	Normal	Due date:	
Assignee:	Volker Baecker	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			

Description

When nadia creates a report for the group u896martineau2 and the year 2015 she gets 37 hours which corresponds to the usage of three users of jupiter.

When Myriam or I create the same report we get 49 hours which correspond to the 37 hours on jupiter plus 12 hours of usage of saturne by nadia herself.

Proposed to update the admin-tool and see if the problem persists.
