- Assignee changed from Granier Alexandre to Philippe Estival
- % Done changed from 0 to 50

The problem can still occurs when moving folders
AND renaming folders to the same name as a regular file
: need double : code server side first then client side

#2 - 11/25/2013 06:05 PM - Philippe Estival

- % Done changed from 50 to 100

It is ok as long a user doesn't rename a folder equals to an identical filename next to it
